### AC/DC - T.N.T. (Live at Donington, 8/17/91) - YouTube

A song educating the masses about dynamite T.N.T. marked a change in direction from AC/DC's debut album, High Voltage, released in February 1975. Whereas High Voltage featured more of a glam rock-influenced sound, T.N.T. saw the band fully embrace the formula for which they would become famous: hard-edged, rhythm & blues-based rock 'n' roll.

Originally unveiled in December 1975, T.N.T. was the second AC/DC album released in their native Australia, but is often overlooked outside the Land Down Under because its best tracks were later combined with those from the band's first domestic album, High Voltage, for reissue as their international debut from 1976 -- also entitled High Voltage.

## **ACDC - TNT - YouTube**

AC/DC Lyrics. "T.N.T." (Oi, oi, oi) See me ride out of the sunset. On your colour TV screen. Out for all that I can get. If you know what I mean. Women to the left of me. And women to the right.

## **AC/DC - T.N.T. Lyrics | AZLyrics.com**

AC/DC has always been one of my favorite bands growing up. TNT is probly my favorite AC/DC song, and this album is my favorite with Bon Scott. When I came across this album a while back I instantly wanted it. Note: The American release, High Voltage, is basically the same album as this and is a lot cheaper.
