I have been using a key meter with British Gas for years as I was so used to it and able to keep an eye on spending/budget. This was only for electricity as my gas I paid monthly which is also supplied by British Gas. Anyway recently I have had a British Gas smart meter fitted, again this is only for electricity (gas I'm still paying monthly ...

British Gas Smart Meters | AVForums

1. Make a note of your meter reading 2. Make a note of your usage presented by your monitor (i.e. THIS WEEK = 100 kWh) 3. After a period of time (e.g. a week, the longer the better) take your meter and display readings again 4. Calculate how many kWh you have used using the meter (i.e. meter reading 2 - meter reading 1) 5.
