The MTech and ME degrees are same and of two years' duration. MTech/ME usually has coursework in the first year and a project in the second year. The MSc (Eng) degree is usually research oriented and may requires two or more years to complete. Doctoral degrees (three to five years): PhD (Doctor of Philosophy). Admission requirements vary across universities but usually include a master's degree in engineering or a bachelor's degree in engineering with an exceptionally good academic record.
