My Family Tree as Told to Leonard E. Read I am a lead pencil — the ordinary wooden pencil familiar to all boys and girls and adults who can read and write. Writing is both my vocation and my avocation; that's all I do. You may wonder why I should write a genealogy.

I, Pencil | Mises Institute

This essay is a description of the incredibly complex "family tree" of a simple pencil, making the point that the production of a pencil draws on the work of millions of people, not one of whom could actually make a pencil from scratch, and most of whom don't know or care that their work contributes to the production of pencils.
