Lisa Scherff (Author of Teaching YA Lit Through ...

Teachers who have differentiated the content, process, or products for the diversity of students in their classroom have seen improvements in students' spelling development, letter-word reading, vocabulary development, comprehension, fluency, and reading engagement through instruction planned in coordination with literacy specialists, supported by administrators, and aligned with literacy instruction provided within the classroom.

Differentiation Fills the Gaps

Purpose of Differentiated Instruction-Differentiation can be defined as a teacher reacting responsively to a student's needs (Tomlinson & Allan, 2012) Goal of DI: maximum student growth and individual success. What are three things you can differentiate. How you change to meet needs:

Differentiated Instruction Flashcards | Quizlet

By giving students an idea of what it is like to walk in someone else's shoes, all literature that deals with big ideas and emotions is good for teaching empathy. Still, I have found a few types of stories that I go to when I really want to get my students working to think about how other people live.

Teach Empathy With Literature | Edutopia

Differentiated instruction is helpful to any teacher and critical for teachers in inclusive classrooms. It is vital for teachers to develop and facilitate consistent, vigorous plans in anticipation of and in response to students' learning differences.
