The Mind Of Strategist Art

When I decided to take a stab at Kenichi Ohmae's 1982 classic "The Mind of the Strategist", I expected it to be a valuable read for practitioners and academics in the field of business strategy. Fact is, it stands out compared with most current writing, and provides evidence that key ideas and themes in the field of strategy stand the test of time.

The Mind Of The Strategist: The Art of Japanese Business ...

The hive mind in which the employee is a cell and in late 20th century managers are expected to commit suicide for mismanagement, also a national debt bigger than the GDP, well, funny. It has worked for Marie Kondo given the small places in which many people live in inner city Japan. But art and strategy combined with Japanese Business?

mind of the strategist e - The Economist

Besides the habit of analysis, what marks the mind of the strategist is an intellectual elasticity or flexibility that enables him to come up with realistic responses to changing situations, not simply to discriminate with great precision among different shades of gray. (pp. 12-13)" The purpose of strategy is to maximize one's advantage.

The Mind Of The Strategist: The Art of Japanese Busi ...

'The Mind of The Strategist' provides a refreshing perspective on strategy; it focuses on the way a good strategist would think, rather than the model or methodology that he/she would use. The discussion about strategy is carried out by Ohmae in a humane manner, which makes the book both an inspiring & enjoyable read.
