The curve is designed for you to pass.

## **Algebra 2 Trig Regents question? | Yahoo Answers**

I just got home from the Trig regents and I thought it was incredibly difficult, I took multiple practice regents prior to taking this test and I always scored above an 80. But on today's test I'm not even sure if I passed. I really struggled on the second part. Does anyone remember any of their answers or have the password to get to the scoring key on the regents website?
